

The Verity International Award for Overall Outstanding Paper in Management, was established in 2006 and was awarded until 2011.

In the year following the paper's publication in CJAS, the award was given in recognition of the overall outstanding paper in management at the ASAC annual conference. Manuscripts considered for this award will come from disciplines traditionally considered within the field of "Management", including human resources management, organizational behaviour, strategic management and international business, but may include other areas where the nominated paper contains a strong management component.

Nominations for this award will be solicited from CJAS Division Editors and papers will be adjudicated by a committee formed and Chaired by the CJAS Editor-in-Chief. Authors of the winning paper will share in an award of Cdn. \$5,000.

This recognition of excellence in scholarship is made possible by the generous sponsorship of Verity International Limited and its president and CEO, Tim Arnill.

Verity International Limited, founded in 1984, is a company known for delivering high quality, personalized and adaptable career management solutions. Verity provides services such as, career transition and outplacement, change management, industrial psychological assessments and executive coaching. Their business philosophy rests on mastering both the art and the science of career management.
